

Albinati Aviation Ltd, Malta, a sister company of Albinati Aeronautics SA, Geneva, active in the field of management, charter, and sale of business jets with a diverse fleet of aircraft, is currently seeking a motivated and experienced full-time

CAMO Coordinator

to join a growing team of highly motivated aviation professionals.

Job description

Main tasks in coordination with CAM:

- Coordination of line maintenance (including issuance of PO).
- Post-maintenance paperwork checking against regulations and Company policies.
- Monitor CAMP task updates.
- Airframe, engines and APU logbook updates.
- ATL processing.
- SB control and recording.
- AMP effectiveness.
- Liaise with OEM and maintenance providers.
- Manual distribution (e.g.: revised MEL, AMP, CAME, etc.).

Candidate's profile and prerequisites

- Knowledge of EASA regulations in particular Part-M/Part-CAMO/Part 145.
- In possession of a relevant engineering degree or an aircraft maintenance technician qualification with minimum of two years relevant experience.
- Strong interpersonal and communication skills and consistent positive attitude.
- Ability to control and develop Manuals and other controlled documents (AMP, MEL).
- Knowledge of MPD software environment (CAMP).
- Strong interpersonal and communication skills and consistent positive attitude.
- Flexible, with a can-do attitude.
- Excellent command of spoken and written English.
- Strong command of MS Office and Adobe applications.
- Resident in Malta but available for some travelling.

We offer

- A challenging position in a fast-growing company.
- An interesting and stimulating working environment.
- The motivation of a young and dynamic team.
- Remuneration in accordance with experience and competences.

We look forward to receiving your application together with a motivation letter and the following documents at job.cam@albinati.aero by July 30, 2021:

- Curriculum Vitae.
- Copy of degrees, diploma(s), licenses, other relevant qualifications.
- Copy of previous employment work certificates.
